Engineering **services**

Year	Job description	Activity	Client	Location	Main
2018	Block valve station sea line	Piping and structural basic & detail design	The Shell Petroleum Development	Gbaran Ubie - Nigeria	Oil & Gas On- Shore
2018	Block valve station sea line	Feed engineering acces structure	The Shell Petroleum Development	Gbaran Ubie - Nigeria	Oil & Gas On- Shore
2018	Platform jacket	Structural detail design	Total	Libya	Oil & Gas Off- Shore
2018	Protection, Support on Hull and Umbelical Support	Structure detail design	Total E&P Angola	Angola	Oil & Gas Off- Shore
2018	Twelve (12) Chemical Injection Skid	PDMS 3D model, Piping and structural detail design and structural calculation	Total E&P Congo	Congo	Oil & Gas Off- Shore
2018	Two (2) methanol injection skid and one	Structural and piping detail design with 3D PDMS model and structural calculation	Tullow Ghana Ltd.	Ghana	Oil & Gas Off- Shore
2018	Sulphure furnace preheating system	Survey, detail engineering piping and strutture, stress analysis	Unilever Italia Manufacturing S.r.l.	Casalpusterlengo (LO) -	Chemical
2018	Techical proposal engineering - New cogeneratio plant 30 Mw	Study, 3D Model and MTO	Uniper Wärme GmbH	Gelsenkirchen - Germany	Energy
2018	New and maintenance storage tank API650	Basic & detail design	Various	Various	Oil & Gas On- Shore
2018	New and maintenance storage tank API650	Basic & detail design	Various	Various	Oil & Gas On- Shore
2018	Engineering Consulting activity	Basic & detail design, data sheet equipment, technical alignment	Various	Various	Drilling
2018	New and maintenance storage tank API650	Basic & detail design	Various	Various	Oil & Gas On- Shore
2018	New and maintenance storage tank API650	Basic & detail design	Various	Various	Oil & Gas On- Shore
2018	New and maintenance storage tank API650	Basic & detail design	Various	Various	Oil & Gas On- Shore
2018	New and maintenance storage tank API650	Basic & detail design	Various	Various	Oil & Gas On- Shore
2018	New and maintenance storage tank API650	Basic & detail design	Various	Various	Oil & Gas On- Shore
2018	New and maintenance storage tank API650	Basic & detail design	Various	Various	Oil & Gas On- Shore
2018	New and maintenance storage tank API650	Basic & detail design	Various	Various	Oil & Gas On- Shore
2018	New and maintenance storage tank API650	Basic & detail design	Various	Various	Oil & Gas On- Shore
2018	New and maintenance storage tank API650	Basic & detail design	Various	Various	Oil & Gas On- Shore
2018	New and maintenance storage tank API650	Basic & detail design	Various	Various	Oil & Gas On- Shore
2018	New and maintenance storage tank API650	Basic & detail design	Various	Various	Oil & Gas On- Shore
2018	Wire cutting pipe Machine	3D Model	Various	Standard Equipment	Oil & Gas Off- Shore
2018	Heat exchange package	Basic & detail design	Various	Various	Energy
2018	New and maintenance storage tank API650	Basic & detail design	Various	Various	Oil & Gas On- Shore
2018	New and maintenance storage tank API650	Basic & detail design	Various	Various	Oil & Gas On- Shore
2018	Engineering for hot water line	Stress analysis	VaxYnethic S.r.l.	Rapolano Terme (SI) - Italy	Pharmaceutical
2018	Pressure vessel: Air storage tank, Demi water boiler, n°2	Vessel detail design and calculation	Viesgo Enel Group	Zaragoza - Spain	Energy
2018	Turbine KKK, boiler Bono Sistemi Installation and related	Piping and structural basic & detail design, stress analysis and PED dossier	Villapana S.p.A.	Faenza (RA) - Italy	Energy
2018	Engineering for steam line	Survey, data sheet equipmen, piping and structural basic & detail design, stress analysis	Villapana S.p.A.	Faenza (RA) - Italy	Energy
2018	Fuel gas skid	Structural and piping detail design	WEPCO	Egypt	Oil & Gas On- Shore
2018	Non penicylinary production area -	Piping detail design	Wyeth Lederle S.p.A.	Catania (CT) - Italy	Pharmaceutical
2018	n°2 process control room	3D model, structural basic & detail design and structural calculation	Yacimientos Petrolíferos	Mobile Equipment	Drilling
2018	Acqueous ammonia tank	Detail engineering API650 tank	Yara Italia S.p.A.	Ferrara (FE) - Italy	Energy
2018	Modify stream system	Laser scan survey, 3D model, Piping and structural detail design	Yara Italia S.p.A.	Ravenna (RA) - Italy	Chemical
2018	Headquarter and laboratory building	Detail engineering structure	ZAO "Keramicheskije Massy	Slaviansk - Ukraine	Civil

2018	Nineteen (19) skid gas treatment	Detail engineering structure, structural joint calculation, lifting calculation and spool	Zhaikmunai LLp	Kazakhstan	Oil & Gas On- Shore
2018	Engineering packaging cogeneration plant 4,2 Mw with	Basic & detail design , piping and structure calculation, stress analysis,		New Jersey- USA	Energy
2017	Kort nozzle	Survey and detail drawing	Ship Owner	Not Found Data	Naval
2017	Engineering exhaust gas new cogeneration in existing	Basic & detail design , piping and support calculation, stress analysis	SIL S.p.A.	Brescia (BS) - Italy	Energy
2017	Industrial steel Shed	Structural detail design	Sismi S.r.l.	Ravenna (RA) - Italy	Civil
2017	Debottlenecking and bagging	Feasibility study	So.F.teR. S.p.A	Forli (FC) - Italy	Chemical
2017	Skidding Hydraulic drilling rig HH300	Detail engineering substructure, relative equipment and structure calculation.	SOCAR AQS - State Oil Company of	Caspian Sea - Azerbaijan	Drilling
2017	Skidding 3000HP rig	Basic & detail design, structure calculation API 4F, high pressure line. Basic engineering mud	SOCAR AQS - State Oil Company of	Caspian Sea - Azerbaijan	Drilling
2017	Water Depuration Plant Mud Treatment	Lay-out and section	Società Metropolitana Acque	Torino - Italy	Environmental
2017	Plant for Recycling and Recovery of Fractions Reusable from	Piping and structural Feed Engineering	Sogliano Ambiente S.p.A.	Sogliano al Rubicone - Italy	Environmental
2017	n°3 trailer drilling mud treatment tank	Structural, piping, instrumental and electrical basic & detail design	Soilmec S.p.A.	Mobile Equipment	Drilling
2017	Mast 152' - API 4F	Conversion from USA standard to european standard	Soilmec S.p.A.	Standard Equipment	Drilling
2017	Three (3) Dehydration and Regeneration skid Z-103	Piping and structural detail design, calculation structure and lifting, stress	Sonatrach	Algeria	Oil & Gas On- Shore
2017	Nine (9) Skid filtration/heating/reduction	Piping detail design	Sorgenia S.p.A.	Bertonico-Turano Lodigiano (LO) - Italy	Energy
2017	Nine (9) Skid filtration/heating/reduction	Stess analysis piping cat.III PED	Sorgenia S.p.A.	Bertonico-Turano Lodigiano (LO) - Italy	Energy
2017	New well plan on shore	Plot plan and piping detail design	SPI S.p.A.	Policoro (MT) - Italy	Oil & Gas On- Shore
2017	Engineering for steam line	Survey, piping and structural basic & detail design, stress analysis	STAR S.p.A.	Agrate Brianza (MB) - Italy	Energy
2017	New Steam Generator installation	Basic & Piping detail design	Surgital S.p.A.	Ravenna (RA) - Italy	Energy
2017	GDU plant with n°7 skids and absorber column complete of	3D model, Piping and structural basic & detail design, structural calculation and stress analysis	Tatweer Petroleum	Kingdom of Bahrain	Oil & Gas On- Shore
2017	Gas dehydration Unit	3D model, Piping and structural basic & detail design, structural calculation and	Technip - DONG Energy	Danish North Sea	Oil & Gas Off- Shore
2017	Gas dehydration Unit	3D model, Piping and structural basic & detail design, structural calculation and stress analysis	Technip - Isab s.r.l	Siracusa - Italy	Oil & Gas On- Shore
2017	Reciving & launching pig trap	Vessel detail design and calculation	Tecnimont S.p.A.	Vlore - Albania	Oil & Gas On- Shore
2017	Future Growth Project - Seven (7)	Project Engineering and field assistance	Tengizchevroil	Kazakhstan	Oil & Gas On- Shore
2016	Enlargement of headquarter building	Structural detail design	Sabig S.r.l.	Milano (MI) - Italy	Civil
2016	Two (2) Production & Gas lift manifold	Structural and piping detail design	Saibos	Ivory Coast	Oil & Gas Off- Shore
2016	Mast certification	Calculation mast API 4F	Saipem - Boscongo	Mobile Equipment	Drilling
2016	Gas dehydration unit GDU - Nine (9) skid, contactor and	3D model, piping and structural detail design, structural calculation and stress	Saipem - Saudi Arabian Oil Company	Saudi Arabia	Oil & Gas On- Shore
2016	Sea fastening for hummers	Structural detail design	Saipem S.p.A.	"Rosetti 1" Barge	Oil & Gas Off- Shore
2016	Deposit fuels and lubricants	Plot plan	Saipem S.p.A.	Ravenna (RA) - Italy	Oil & Gas On- Shore
2016	Chocke manifold	Mechanical detail engineering	Saipem S.p.A.	Mobile Equipment	Drilling
2016	Saturation Diving System	Survey, P&I and Structural calculation	Saipem S.p.A.	Mobile equipment	Naval
2016	Ricertification Rig 5825 API 4F	Structural detail design	Saipem S.p.A.	Mobile Equipment	Drilling
2016	Maintenance activity Rig Az.5825 and	Detail engineering	Saipem S.p.A.	Mobile Equipment	Drilling
2016	Upgrade Rig Az.5825	Detail engineering structure	Saipem S.p.A.	Mobile Equipment	Drilling
2016	Safety fall protection drill collar	Structural basic & detail design, structural calculation	Saipem S.p.A.	Mobile Equipment	Drilling
2016	Winch Ingersoll installation Rig Az.5825	Detail engineering	Saipem S.p.A.	Mobile Equipment	Drilling
2016	Revamping high pressure line Rig	Detail engineering high pressure line API 6A	Saipem S.p.A.	Mobile Equipment	Drilling
2016	Interconnecting line new drilling plan	3D model, piping and structural detail design and stress analysis	Saipem S.p.A.	Kazakhstan	Drilling

2016	Revamping two (2) land rig 5898 & 5832	Detail engineering, revamping racking board, winch support, new belly board, new pony sub,	Saipem S.p.A.	Mobile Equipment	Drilling
2016	Revamping kill, choke and cement line	Survey, 3D model, Piping basic & detail design and stress analysis	Saipem S.p.A.	Scarabeo 6	Drilling
2016	Two (2) Slug catcher	Detail engineering, structural calculation, stress analysis	Samsung Engineering Co.	Malaysia	Oil & Gas On-Shore
2016	Fast moving drilling Sapura I	3d model, substructure and skidding system detail design	Sapura Kencana	Mobile Equipment	Drilling
2016	Fast moving drilling Sapura I (temporary)	3D model, Piping basic & detail design	Sapura Kencana	Mobile Equipment	Drilling
2016	Skidding Fast Moving Drilling - 1000HP	3D model, Piping and structural detail design	Sapura Kencana	Mobile Equipment	Drilling
2016	Skidding Fast Moving Drilling - 1000HP	Drill collar drop calculation for API RP C204	Sapura Kencana	Mobile Equipment	Drilling
2016	Slug catcher	Piping and structural basic & detail design, structural and lifting calculation	Sasol S.p.A.	Temane field - Mozambique	Oil & Gas On- Shore
2016	one (1) Skid sweetening system	Detail engineering structure and piping	Saudi Cement Company	Hofuf - Saudi Arabia	Energy
2016	Fuel gas skid	Structural and piping detail design	SeverTEK	South Shapkino Oil Field Development -	Energy
2015	Fuel gas conditioning package	PDMS 3D model, Piping and structural detail design and structural calculation	Qarun petroleum Co	Egypt	Oil & Gas On- Shore
2015	Engineering exhaust gas new cogeneration in existing food	Basic & detail design , piping and support calculation, stress analysis	Raspini S.p.A.	Viotto (TO) - Italy	Energy
2015	One (1) Instrument air dryer skid	Detail engineering structure and piping	Reficar	Colombia	Oil & Gas On-Shore
2015	Pressure vessel: n°2 Dual media filter,	Vessel detail design and calculation	Regione Sicilia	Porto Empedocle - Italy	Environmental
2015	Slug catcher	Piping and structural basic & detail design, structural and lifting calculation	Reliance Industries Ltd.	Bay of Bengal - India	Oil & Gas On- Shore
2015	Gas dehydration & TEG regeneration package	3D model, piping and structural detail design, structural calculation and stress analysis	Reliance Industries Ltd.	Bay of Bengal - India	Oil & Gas On- Shore
2015	CPF Margarita skid	Assistance to assembly and testing	Repsol YPF E&P	Grand Chaco - Bolivia	Oil & Gas On-Shore
2015	Helicopter Platform	3D Model and detail engineering structure	Riva Calzoni S.p.A.	Ship - Landing Helicopter Dock (LHD)	Naval
2015	installation of new skid PSA-2	Construction manager activities, verification of engineering, materials follow-up and client's	Rivoira S.p.A.	Ravenna (RA) - Italy	Chemical
2015	New HTS/Boiler FEL-2 project	Piping and Structural basic engineering	Rivoira S.p.A.	Ravenna (RA) - Italy	Chemical
2015	Engineering new cogeneration ceramic plant, with Turbomach	Laser scan survey, 3D model, Piping and structural basic & detail design, structural	Rival ceramiche s.r.l.	Maranello (MO) - Italy	Energy
2015	Supports Structure for river crossings	Piping support detail on n°3 bridges	Romagna Acque S.p.A.	Vallata del Savio - Italy	Environmental
2015	Purification plant	Detailed Architectural plans, views and sections	Romagna Acque S.p.A.	Borello (FC) - Italy	Environmental
2015	Hydroponic Greenhouse Basil	3D Model and Rendering	Roncadin S.p.A.	Meduno (PN)	Civil
2015	Sugarcane refining plant production capacity 450 t/year	Piping and structural basic & detail design, stress analysis and PED dossier	S.F.I.R. Raffineria di Brindisi S.p.A.	Brindisi (BR) - Italy	Food
2015	Cogeneration plant of refinery brown	Piping and structural basic & detail design	S.F.I.R. Raffineria di Brindisi S.p.A.	Brindisi (BR) - Italy	Energy
2015	Cogeneration plant of refinery brown sugar - 2 engine Wartsila	Detail engineering structure and piping, stress analysis, structure calculation and	S.F.I.R. Raffineria di Brindisi S.p.A.	Brindisi (BR) - Italy	Energy
2014	Emergency diesel generator skid	Piping and structural basic & detail design, structural calculation	Petrobel	Egypt	Oil & Gas Off-Shore
2014	Slug chatcher	3D model, piping and structural basic & detail design and calculation	Petrobel	Egypt	Oil & Gas On-Shore
2014	n°5 Acceleration package	Detail engineering structure and pipe support	Petrobel	Egypt	Oil & Gas On-Shore
2014	Sulphure Recovery Unit	Piping Support	Petrobel	Egypt	Oil & Gas On-Shore
2014	Three (3) chemical injection skids	PDMS 3D model, Piping and structural detail design and structural calculation	Petrobras	Brazil	Oil & Gas Off- Shore
2014	Five (5) chemical injection skids	PDMS 3D model, Piping and structural detail design	Petrobras	Brazil	Oil & Gas Off-Shore
2014	Six (6) Fiscal meetering for LPG, oil and condensate	Basic & detail design structure and piping, stress analysis and structure	Petrofac	Algeria	Oil & Gas On- Shore
2014	Two (2) modulare switchgear and HVAC room 72m x 9m and	3D model, structural basic & detail design and structural calculation	PETROFAC International (UAE)	Algeria	Oil & Gas On- Shore
2014	Three (3) Pressure vessel fire-fighting	Detail engineering	PIA - La Petrolifera Italo	Vlore - Albania	Oil & Gas On-Shore
2014	Terminal loading and storage for LPG,	PED dossier for all piping line	PIA - La Petrolifera Italo	Vlore - Albania	Oil & Gas On-Shore
2014	Terminal loading and storage for LPG,	Manual pre-commissioning, commissioning and final data-book	PIA - La Petrolifera Italo	Vlore - Albania	Oil & Gas On-Shore

2014	One (1) Pressure vessel	Vessel detail design and calculation, PED dossier	PIA - La Petrolifera Italo	Vlore - Albania	Oil & Gas On-Shore
2014	Bunkering hoses support frames	Piping and structural basic & detail design, structural calculation	PIA - La Petrolifera Italo	Vlore - Albania	Oil & Gas On-Shore
2014	Terminal loading and storage for LPG, Diesel oil and Gasoline	Mechanical completion, commissioning and start-up assistance on site, as-built	PIA - La Petrolifera Italo Albanese Sh.A.	Vlore - Albania	Oil & Gas On-Shore
2014	Three (3) Regeneration gas dryer skid	Piping detail design and stress analysis	PKN ORLEN S.A.	Poland	Oil & Gas On-Shore
2014	Butadiene plant - new pool receiving	Detail engineering structure and piping	Polimeri Europa S.p.A.	Ravenna (RA) - Italy	Chemical
2014	Fuel gas skid	Structural and piping detail design	Polski Koncern Naftowy	Plock - Poland	Energy
2014	Service line	Isometric drawing	Polynt Composites Poland	Poland	Chemical
2014	Three (3) chemical injection skids (In Progress)	PDMS 3D model, Piping and structural basic & detail design and structural calculation, ele-stru	PremierOil	North Sea, UK	Oil & Gas Off-Shore
2014	Biodiesel Plant	PED dossiers	PROSERMAT	Spain	Energy
2014	Glycol dehydration & regeneration package	PDMS 3D model, piping and structural detail design, structural calculation and	PTTEP International Ltd.	Gulf of Martaban, Myanmar (Burma)	Oil & Gas Off-Shore
2014	MEG Regeneration Package	3D model, piping and structural detail design, structural calculation and stress analysis	PX limited	Breagh field - Teeside UK	Oil & Gas On-Shore
2014	Off-Site & NAO Analyzer Shelter Service line	Piping detail design	Q-Chem - Qatar Chemical Company	Mesaieed Industrial City	Chemical
2014	Butene metering station skid	Structural and piping detail design	Q-Chem - Qatar Chemical Company	Mesaieed Industrial City	Chemical
2013	Installation cooling water reactor R31 -	Survey, Piping detail design	Orion Engineered carbons	Ravenna (RA)- Italy	Chemical
2013	Revamping oil and process water lines	Survey, 3D model, Piping detail design	Orion Engineered carbons	Ravenna (RA)- Italy	Chemical
2013	Auxiliary system: dewatering, cooling	As - Built Dossier	Pacific Hydro Chacayes S.A.	Chacayes - Chile	Energy
2013	Skidding land rig	Pre-Feed engineering Pipe burn, Pre- Feed and Feed engineering DSM (Drilling Support	Parker Drilling Inc. - Exxon	Russian federation	Drilling
2013	Production Separator Package & Discharge Scrubber Package	Piping and structural detail design, interconnecting and interface with main	PEMEX	Mexico	Oil & Gas Off-Shore
2013	Production Separator Package	Structural calculation	Pemex	Mexico	Oil & Gas Off-Shore
2013	New "Centro commerciale Maximo", engineering for new	Basic & detail design , piping and support calculation, stress analysis	Persec 6 S.p.A.	Roma (RM) - Italy	Civil
2013	Fuel gas skid	Structural and piping detail design	Petrobel	Egypt	Oil & Gas On-Shore
2013	Instrument and Service Gas System Skid	Structural and piping detail design	Petrobel	Egypt	Oil & Gas Off-Shore
2013	Chemical Injection and Corrosion Inhibitor Skid and	Piping and structural detail design	Petrobel	Egypt	Oil & Gas Off-Shore
2013	Two (2) Fired Heaters Interpiping skids	Structural and piping detail design	Petrobel	Egypt	Oil & Gas Off-Shore
2013	Three (3) Chemical Injection Skid	Structural and piping detail design, structural and lifting calculation	Petrobel	Egypt	Oil & Gas Off-Shore
2013	Diesel Oil skid	Vessel, structural and piping detail design	PETROBEL	Egypt	Oil & Gas Off-Shore
2013	Fuel gas skid	Structural and piping detail design	PETROBEL	Egypt	Oil & Gas Off-Shore
2013	Fuel gas pre filter skid Fuel gas filter skid with K.O.	Vessel, piping and structural basic & detail design, structural and vessel	PETROBEL	Egypt	Oil & Gas Off-Shore
2013	Four (4) Chemical injection skids	Tank, piping and structural basic & detail design, structural and tank	Petrobel	Egypt	Oil & Gas Off-Shore
2013	Two (2) Fuel gas skid	Piping and structural basic & detail design, structural calculation	Petrobel	Egypt	Oil & Gas Off-Shore
2012	Steam boilers circuit	Stress analysis	Marcegaglia S.p.A.	Ravenna (RA) - Italy	Chemical
2012	Revamping service line	3D model, Piping detail design	Marcegaglia S.p.A.	Ravenna (RA)- Italy	Chemical
2012	Engineering new cogeneration ceramic plant, with Solar turbine	Basic & detail design, piping, structure and foundation calculation, stress analysis,	Mariner S.p.A.	Castellarano (RE) - Italy	Energy
2012	Gaza FSO (sloug replacement)	3D model, Piping detail design and stress analysis	Mellitah Oil and Gas B.V.	Libya	Oil & Gas Off-Shore
2012	Cooling tower tanks	Structural calculatins and detail design	Methanol Casale S.A.-TogliattiAzot	Togliatti - Russia	Chemical
2012	"MTO" Demo Unit	Piping and structural Feed Engineering	Methanol Casale S.A.-TogliattiAzot	Togliatti - Russia	Chemical
2012	N°1 Piperack	Structural detail design	Micron Technology Inc.	Avezzano (AQ) - Italy	Chemical
2012	Auxiliary system: cooling water	Piping and structural detail design	Ministry of Energy and Natural Resources	Sanliurfa - Turkey	Energy

2012	Techical proposal engineering - New	Study, 3D Model and MTO	Municipal Company - Cottbus - Germany	Municipal Company - Cottbus - Germany	Energy
2012	Sewage Treatment Plant	Detail engineering structure and piping	Municipality of Sciacca	Sciacca (AG) - Italy	Environmental
2012	Purification plant Extension	Lay-out and section	Municipality of Taviano	Taviano, Radicale and Melissano - Italy	Environmental
2012	Auxiliary system: dewatering, cooling water and instrument air	3D model, piping and structural detail design, stress analysis, data sheet equipment and	MWH Global	Santa Teresa - Perù	Energy
2012	Eight (8) Methanol and Corrosion Inhibitor Skid	Piping and structural detail design, calculation structure and lifting	NIOC Pers Oil & Gas Company	Salman - Iran	Oil & Gas Off- Shore
2012	New black carbon storage unit	Survey, Basic & detail design, structure calculation, stress analysis,	Norit Italia S.p.A.	Ravenna (RA) - Italy	Chemical
2012	As-Built and new service platform	Survey, 3D Model, Piping and structural detail design	Novartis S.p.A.	Siena - Italy	Pharmaceutical
2012	Engineering exhaust gas new cogeneration in existing	Basic & detail design , piping and support calculation, stress analysis	Nupi Industrie Italiane S.p.A.	Castel Guelfo (BO) - Italy	Energy
2012	Installation new oil circuit	Piping detail design	Orion Engineered Carbons	Ravenna (RA) - Italy	Chemical
2011	Structure Deck Platform	Structural detail design	Maersk Oil and Gas	North Sea - Danish	Oil & Gas Off- Shore
2011	Piping and Support Various Sitem accommodation module	Piping and supports detail design	Maersk Oil and Gas	North sea Denmark	Oil & Gas Off- Shore
2011	Fuel gas treatment skid splitted in three parts	Piping and structural basic & detail design, structural and lifting calculation	Maersk Oil and Gas	North sea Denmark	Oil & Gas Off- Shore
2011	Glycol TEG regeneration system	Piping and structural basic & detail design, structural and lifting calculation, deluge system	Maersk Oil and Gas	North Sea - Danish	Oil & Gas Off- Shore
2011	Eight (8) Pressure vessel - Cartige filter, Charcoal filter,	Vessel detail design and calculation	Maersk Oil and Gas	North Sea - Danish	Oil & Gas Off- Shore
2011	Eleven (11) chemical injection skids	PDMS 3D model, Piping and structural basic & detail design and structural	Maersk Oil Kazakhstan GmbH	Mangystau - Kazakhstan	Oil & Gas On- Shore
2011	N°2 Piperack road crossing and protection for treatment plant	Structural detail design	Marcegaglia S.p.A.	Ravenna (RA) - Italy	Chemical
2011	Service line - Pickling -2-	Piping detail design	Marcegaglia S.p.A.	Ravenna (RA) - Italy	Chemical
2011	Rain water network	Piping basic & detail design	Marcegaglia S.p.A.	Ravenna (RA) - Italy	Chemical
2011	Cooling system galvanizing rollers	Piping basic & detail design	Marcegaglia S.p.A.	Ravenna (RA)- Italy	Chemical
2010	Fertilizer Analysis Laboratory	Detail engineering structure and piping	Hydro Italia Service S.r.l.	Ravenna (RA) - Italy	Chemical
2010	Food processing machine (Apple)	Survey and 3D model	I.T.O. S.p.A.	Standard Equipment	Food
2010	Gas Dehydration Train	Piping and structural Feed Engineering for Bid	IC Consulting Engineering	Danish North Sea	Oil & Gas Off- Shore
2010	Auxiliary system: dewatering and cooling water	Basic & detail design, data sheet equipment, MTO mechanical and instrumentation, sizing	ICE - Instituto Costarricense de	Peñas Blancas - Costa Rica	Energy
2010	Auxiliary system: dewatering and cooling water	Piping and structural detail design	ICE - Instituto Costarricense de	Cachi' - Costa Rica	Energy
2010	Auxiliary system: dewatering, cooling water, pneumatic and	3D model, piping and structural basic & detail design, stress analysis, data sheet equipment	ICE - Istituto Costaricense de	Reventazon - Costa Rica	Energy
2010	Land Rigs Filler Frame	Structural Detail engineering	IDC - Iraq Drilling Company	Mobile Equipment	Drilling
2010	Sling shots land rig	Detail engineering mast and relative equipment. Detail engineering field pipe. 3D	IDC - Iraq Drilling Company	Mobile Equipment	Drilling
2010	Techical proposal engineering piping	Survey, study and report	Idromacchine S.p.A.	Malamocco (VE) - Italy	Civil
2010	Skid Gas Compression System - Unit	Piping detail design, cable routing and instrument lay-out	INAGIP	Adriatic sea - Croatia	Off-shore
2010	Living Quarter and Heliport	Structural detail design	INAgip d.o.o.	Adriatic sea - Croatia	Oil & Gas Off- Shore
2010	Engineering exhaust gas new cogeneration in existing ceramic	Basic & detail design , piping and support calculation, stress analysis	Industrie Ceramiche di Faenza S.p.A.	Faenza (RA) - Italy	Energy
2010	Dehydration and Mercury removal unit	Piping and structural detail design, Structure and lifting calculation, Project Engineering activity	IOOC - Iranian Offshore Oil Company	Iran	Oil & Gas On- Shore
2010	Marine outfall alignment system for	Structural basic & detail design	Istanbul metropolitan municipality	Istanbul - Turkey	Oil & Gas On- Shore
2010	Ten (10) skid combinate unit for production of high octane	Detail engineering structure, structural joint calculation, lifting calculation	JSC - Belarusian Oil Company	Mozyr - Belarus	Oil & Gas On- Shore
2010	Hot ducts cogeneration plant	Laser scan survey, 3D model, Piping and structural basic & detail design, structural	KALESERAMIK ÇANAKKALE	Çan Çanakkale - Turkey	Energy
2010	water treatment & disposal plant	Executive engineering preliminary layout	Karachaganak Petroleum	Kazakhstan	Oil & Gas On- Shore
2010	Six (6) Process Buildings	Piping and structural detail design	Karachaganak Petroleum Operating -	Kazakhstan	Oil & Gas On- Shore
2010	Engineering wooden panel plant	Basic & detail design, laser scan survey, piping, structure and foundation calculation,	Kastamonu Italia S.r.l. (Ex- Falco)	Pomposa (FE) - Italy	Energy

2010	Condensate and Dehydration System - Five (5) skid and	Piping and structural detail design, calculation structure and lifting, stress analysis	KOC - Kuwait Oil Company	Kuwait	Oil & Gas On- Shore
2010	Engineering revamping cogeneration plant, added n°2	Detail engineering and calculation piping	L-Foundry - Smic Company	Avezzano (AQ) - Italy	Energy
2010	Service lines	Detail engineering and piping calculation	Lameri S.p.A.	Castelvetro Piacentino	Food
2010	LPG Treatment Unit	Piping detail design and support	Lavan Oil Refining Company	Lavan Island - IRAN	Oil & Gas On- Shore
2010	Engineering revamping thermal power	Basic & detail design , piping and support calculation, stress analysis	Leonardo S.p.A.	Venegono (VA) - Italy	Energy
2010	Engineering revamping thermal power	Basic & detail design , piping and support calculation, stress analysis	Leonardo S.p.A.	LaSpezia (SP) - Italy	Energy
2010	Ten (10) separation and dehydration gas skids and	PDMS 3D model, Piping and structural detail design	Lotos Petrobaltic	Baltic sea - Poland	Oil & Gas Off- Shore
2010	Drilling Rig Conversion to WHP Platform	Piping detail design	Lotos Petrobaltic	Baltic sea - Poland	Oil & Gas Off- Shore
2009	Eight (8) Skid and relative vessel	Vessel, piping and structural basic & detail design, structural and vessel	ENOC Processing Company Ll.c.	Dubai - UAE	Oil & Gas On- Shore
2009	Fire system twin agent	Piping detail design	Eurogen	Novara - Italy	Chemical
